

Symmetrical Design and 3 Color Patterning

With Richard Johnson, PO Box 818

Jerome, Arizona 86331 Phone 928-634-3309 rjinjerome@hotmail.com

Especially good for just 1, 2, or 3 sessions; and can be extended through 1 or 2 weeks; adaptable for grades K through 8, high school and adult.

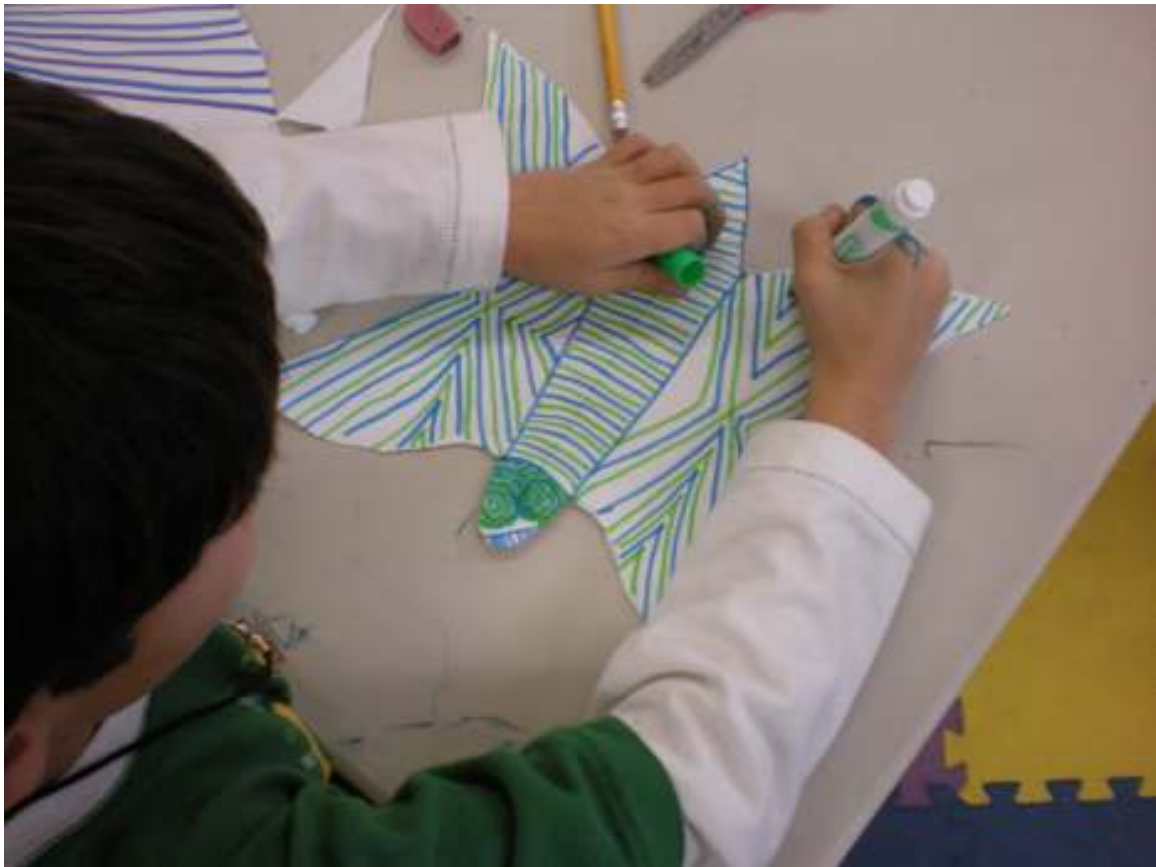

Tools + materials needed for 1 to 3 sessions: 8 1/2" x 11" and 11" x 17" white construction or drawing paper: 2 sheets of each per student, scissors and pencils, for every student, and 2 to 4 crayons or colored markers per student.

Tools and materials needed for 4 to 10 class sessions: the same, plus 2 to 6: 18" x 24" sheets of white poster board per student, and 4 staplers per classroom.

1 to 3-day projects include eye-dazzling insects and masks. 4 to 6-day projects include 3-dimensional drawings and colorful free-standing sculptures. 7 to 10-day projects may include sculptures, wearable art, masks, headdresses and body suits; sets, props and costumes for original or scripted plays, parades, and performances.

Pre - K and K : "Dizzy Bug" project, utilizing symmetrical design and 3-color patterning.
